<sup>2</sup> \$5,935 is the correct estimated maximum, according to the scheduled CPI, but the Department of Education has already issued its Pell tables for the 17-18 academic year, taking into account the use of PPY and the CPI, and they have set the FY 2017—AY 17-18—maximum award at \$5,920.

<sup>3</sup> In the Trump Administration's FY18 Budget Request, \$20 million is appropriated for ARPA-E in FY18 and also proposes a \$46.4 million rescission for "use of ARPA-E - Energy Balances" leaving the FY18 total negative.

<sup>4</sup> House Appropriations Committee approved numbers as of 7/19/2017, Senate Appropriations Committee approved numbers as of 9/7/17.
