

## You're Invited

## **University Innovation & Entrepreneurship Showcase**

Hosted by the Association of Public and Land-grant Universities and the Association of American Universities in partnership with the National Academy of Inventors and VentureWell

Please join us for the inaugural exhibition and reception featuring startups from across the country that grew out of federally-funded university research and are fueling the innovation economy. This event will highlight the important role federally-funded university research plays in fueling entrepreneurship, innovation and impact across the nation.

## Tuesday, November 14, 2017 5PM-7PM

Rayburn Foyer, Rayburn House Office Building 45 Independence Ave SW, Washington D.C.
