

AAU STEM Network Travel Ticket Application

*To foster discussions and help advance strategies aimed at improving the effectiveness of undergraduate STEM teaching we are giving each institution participating in the AAU Undergraduate STEM Education Initiative Department Chair Workshop the opportunity to receive a \$1000 Travel Ticket. The Travel Ticket can be used to help cover the costs of hosting one or more individuals from another AAU STEM Network institution at your home campus. Travel Ticket applications are due by **Friday, November 9**, and only one application per institution will be accepted. Expenses are subject to AAU's travel reimbursement policy. Submit applications to Tara King at tara.king@aau.edu.*

Travel Ticket Application

1. Please identify who will come to your campus and give a brief description of the proposed activity.
2. How will the proposed activity contribute to the advancement of undergraduate STEM education reform efforts within your department(s) and/or college?
3. Budget

Travel Ticket Report

Each Travel Ticket recipient will be required to submit: 1) a two-page report describing the impact of hosting other AAU STEM Network members on their campus and 2) a 250-word statement with photograph that can be used for website and social media content. These materials will be due one month after the event occurs.
